## EDUCATION

### Tulane University

*Bachelor of Science, Computer Science*

*New Orleans, LA*

Aug 2025 – Present

### The American School Foundation A.C.

*High School Diploma, International Baccalaureate Programme*

*Mexico City, Mexico*

Aug 2020 – May 2024

## EXPERIENCE

### Lumina Labs

*Founder & Chief Executive Officer*

*New Orleans, LA*

Jan 2025 – Present

- Founded an AI-powered facial analysis platform providing personalized aesthetic recommendations to clinicians and patients across five dermatology clinics in Mexico
- Secured a \$2.5M valuation from CitiBank; initiated patent process for core facial analysis technology
- Grew to \$15,000 in monthly recurring revenue via white-labeled SaaS deployment, overseeing 1,000+ analyses
- Launched consumer application on the Apple App Store, expanding access beyond clinical partnerships

### TV Azteca

*IT Intern*

*Mexico City, Mexico*

Jul 2024 – Jul 2025

- Built a Python web app to automate Lighthouse performance monitoring for 600+ URLs, improving efficiency by 40%; deployed on AWS
- Designed a tracking system for the 50 most visited links using hit/miss counts for caching optimization
- Created a digital calendar displaying 2,000+ events for real-time performance tracking and metric comparison

### UnifAI

*Full Stack Developer Intern*

*New York City, NY*

May 2025 – Aug 2025

- Built full-stack AI agent solutions for enterprise clients at a consulting firm specializing in custom agent deployment
- Developed React frontends and Python backend APIs connecting client dashboards with AI agent pipelines
- Delivered systems to 3+ corporate clients automating customer support, data processing, and operations

### Diaita

*Founder & Chief Executive Officer*

*Mexico City, Mexico*

May 2022 – May 2024

- Built a health and wellness app to combat obesity and diabetes in Mexico; grew to 1,000+ downloads and 500+ clients
- Earned nutritionist certification under mentorship of Barry Sears; generated \$50,000+ MXN in revenue
- Directed all revenue to the Diaita Foundation, funding food drives and meal plans at two public hospitals in Mexico City
